Public Benefit Option Overview

The Public Benefit Option (PBO) is an approved investment option under the Citizenship by Investment Program that directs contributions to specific projects rather than the country's general fund.

Approved clients make a \$250,000 contribution to the PBO, which includes their own \$25,000 Government Processing Fee.

About National Housing Corporation

The National Housing Corporation (NHC) was created by an Act of Parliament in 1997 with a mission to provide affordable housing solutions for the people of St. Kitts & Nevis.

Funds raised through the Public Benefit Option go directly to projects aimed at increasing the housing stock, making an immediate and lasting impact.

NHC Mission

"The National Housing Corporation is committed through its mandate to add and improve the existing supply of houses, promote greater efficiency by raising standards, assist the economically challenged with their housing needs, guide, counsel and educate the nation in housing matters, ensure that every resident has a house to call their own, thereby improving the socio-economic conditions of the residents of St. Kitts and Nevis."

Why Choose NHC Public Benefit Option?

Real Impact

Clients will know their contributions are making a tangible difference in the lives of the people of St. Kitts.

Ready Now

Construction of affordable housing is ongoing, not dependent on raising a certain amount of capital.

Government Approved

Clients enjoy the confidence of investing in a project that is managed and fully supported by the Government.

Fast Processing

Applications are typically processed in **4–6 months**, and investors only transfer funds after receiving government pre-approval.

Process and Timeline

Step 1

The applicant signs NHC PBO Purchase Agreement, and a Public Benefit Unit (PBU) is reserved.

Step 2

The application is submitted to the CIU by the Authorized Agent.

Step 3

Upon receiving approval-in-principle from the CIU, the applicant pays USD250,000 to the Government.

Step 4

Citizenship certificates and passports are issued.

Current Expected Processing Time: 4-6 months

The St. Kitts & Nevis Citizenship by Investment Program was established in 1984, making it the oldest program of its kind in the world. Awarded the #1 Best Citizenship Programme by the 2024 CBI Index Report.

A Smarter Path to Global Mobility

[Saint Kitts & Nevis](#) has long been a pioneer in the CBI space, and the introduction of the Public Benefit Option reinforces its position as a trusted, forward-thinking jurisdiction. For HNWIs seeking security, optionality, and global access, the PBO offers a modern solution that does more than benefit the applicant; it also supports the future of an entire nation.
